The Music

Greetings!

Summer is a great time to make music! We are thrilled that once again, the vast majority of our students are continuing their weekly lessons during the summer. So as we like to say here at MLC..."Let's Keep the Music Playing!".

This edition of "Music News" features a wide range of articles including upcoming events and reminders, articles about some of our talented students who are performing in public... and much more.

As always, we thank you for being a part of the Music Learning Center!

Jeff McGill, Director
