Parents or Students should login and use the LMS any time they need to cancel a lesson, schedule a makeup, make a permanent change to their lesson schedule, update credit card payment info, message your teacher, or join a scheduled online lesson.

Below is a view of the "Actions" you can take from your account dashboard:

Actions

[Messages \(0 new\)](#) | [Join Video Lesson](#)

[Schedule Make-Up](#) | [Change Time or Teacher](#) | [Cancel Lessons](#)

And here is what you can use each "Action" for...

1. **MESSAGES** - to read or send messages to your teacher
2. **JOIN VIDEO LESSON** - to access your Personal Online Lesson Room for you to use exclusively with your teacher. Just message them if you need to have your lesson online on a particular day. You will also use the Video Lesson Room on announced "snow days" when the studio is closed.
3. **SCHEDULE MAKEUPS** - This will appear on your dashboard if you have canceled a lesson a minimum of one day in advance, and are eligible to schedule a makeup. We highly recommend scheduling it as close to the original lesson date as possible
4. **CHANGE TIME OR TEACHER** - Click here if you need to make a PERMANENT change to your weekly lesson schedule. You will be taken to a page where you may view all of the options available. Find the one that works best, and complete your own PERMANENT Schedule Change.
5. **CANCEL LESSONS** - Use this link to Cancel a single lesson. Remember - lessons must be canceled at least one day in advance in order for you to be eligible for a makeup.
